OFFICIAL USE

Dear Mr. Koumanov,

Thank you for your e-mail dated 08 May 2016.

As you may know, Grant support to the Rila Monastery small hydro power project (SHPP) was approved in 2010 by the Assembly of Contributors under the Kozloduy International Decommissioning Support Fund.

To date, no construction activities have commenced, nor has the detailed design of the SHPP been finalised. Nevertheless, and in light of your email, we will visit the project during the week of 20 June 2016 to discuss these concerns with the developer. We would also like to take this opportunity to meet with you to better understand your association's concerns with the project. Please advise whether you are available to meet us on 20 June, 2016 at 16:00 at our resident office in Sofia (17 Moskovska Street).

Kind regards,
 Peter Moore
